

Kowloon Bazaar celebrates eight years!

The annual Kowloon Bazaar was launched by Print Plus International Limited in 2006 with just 20 vendors in the Kowloon Cricket Club. Today, it hosts over 50 vendors and 3,000 shoppers at a five start venue! The only one of it's kind, in the heart of Kowloon, the Kowloon Bazaar provides the "all your shopping under one roof" experience to all shoppers.

This year, being it's 8th anniversary, the Print Plus duo, Deepa Nainani and Neerja Sujanani decided to raise the bar by launching a second bazaar, Bridal Glitterati (a wedding shopping fair) in May 2014, right before the wedding season. This was a huge success providing a full day shopping galore for anyone organising or attending a wedding or for someone who simply loved shopping! This event also provided a huge platform to wedding planners, chocolatiers, wine suppliers, fashion designers and jewellers for the very first time to showcase, market & sell their products and services on such a large scale. Laced with hourly lucky draws with attractive prizes, a make-up demo by a celebrity make up artist, it was an eventful day for all vendors and shoppers!

Now, it's time to gear up once again for the much awaited shopping event of the year, The Kowloon Bazaar. As the years pass, the bazaar hosts many more international vendors giving the Hong Kong shoppers a taste of abroad right at home. No one needs to take a flight to shop anymore! The Kowloon Bazaar brings you vendors from India, Singapore & Thailand to give you the ultimate shopping experience.

Don't miss out on the ONLY annual Kowloon Bazaar this August! Saturday 23rd August 11am to 8pm at the Regal Kowloon Hotel. For inquiries, contact bazaar@printplus.com.hk
